Summit Track and Field State Champions

Note: From 2002 (Summit's first year competing) to 2006, Summit competed in OSAA's top classification, then enumerated 4A. Starting in 2007, the OSAA split 4A into two divisions, 6A for the largest schools and 5A for the smaller schools. From 2007 thru 2018 Summit competed in the 5A division before returning to the top classification, now 6A in 2019. In order to fairly compare the two eras, this list includes those who by their finish in the state championships in 4A would have been state champions if the 5A/6A split had been implemented in that year. These individuals follow any actual 4A champions and are marked by an asterisk.
